

Job Title:	School Staff Nurse	
Service:	Warwickshire School Health & Wellbeing Service	
Reports To:	School Nurse Team Leader	

Service Overview:

The School Health & Wellbeing Service is a high quality, visible, accessible and confidential outcome focussed service that improves the health and wellbeing of children and reduces health inequalities for school aged children and young people in Warwickshire.

The service delivers key elements of the universal Healthy Child Programme (including NCMP, annual Health Needs Assessments at key staged contacts) as part of the service offer to school-aged children and families (aged 5-19 years up to 25 with special educational needs) and priority partners/wider stakeholders.

The service will lead, deliver, develop and evaluate preventative services and universal public health programmes within schools and community settings using innovative and evidenced models of delivery in accordance with local need (individual, school and corporate level). The services provided will be planned and reviewed annually based on the evidence of actual need derived from the universal offer in conjunction with other strategic needs assessment data.

Service Structure:

The School Health & Wellbeing service consists of a number of skill mix teams located in three geographical hubs across Warwickshire. The Service Manager is supported by a Senior Administrator and Team Leaders in each of the three hubs who provide oversight and local leadership to each of the skill mix team. Skill mix teams are directed by school nurses who hold a SCPHN qualification and will act as the named lead contacts for primary partners such as schools. Skill mix teams consist of registered nurses and appropriately qualified healthcare support staff relevant to the range of services offered as part of the universal Healthy Child Programme. Each team also includes administrators to oversee the co-ordination and day to day running of the service and hubs.

The team will adopt Corporate working; conducting appointments with children, young people and families from a wide range of child friendly locations across the County.

Job Purpose:

The School Staff Nurse will be an active member of the team working with others to deliver positive outcomes for children, young people and their families. They will be required to carry out a range of assessments, psychosocial brief interventions, proactive public health initiatives and work both independently and as part of a multi agency team around the family. Safeguarding will be an integral aspect of the role.

They will provide professional information, advice and support to skill mix teams to enable the efficient and effective delivery of the School Health & Wellbeing Service. Discretion and confidentiality must be maintained at all times.
