JUNE 2021

TEAM MEMBER OF THE MONTH

Hi I am Leanne and I am a Team Lead at Compass Go. I am a social worker and I have been working with children and young people for over 10 years. My specialist knowledge is within Special Educational Needs. I have experience working within residential settings, Children's Disability Services and then working in the LD team at our local CAMHS. I am passionate about ensuring that the most vulnerable children within our local area can access the most suitable mental health support for their needs. At home I am a mum to two children; I enjoy live music, fitness and a good film!

Compass GO... Summer Offer!

We have all been working hard on making our Compass GO... summer offer ideas come to life. The summer offer is due to start Week commencing 26th July and we are just finalising the finer details ready to send you all the first week of July!

Look out for the following Summer Offer events:

- Meet the team day!
Wednesday 11th August
2021 10am- 4pm
- Weekly podcasts on emotional well-being
- Wellbeing Calendar
- Compass GO... Beach day
- YouTube self help videos
- Compass GO... treasure hunt

Special/alternative schools update

Leanne Cook, our Team Leader who joined us this month, specialises in Special Educational Needs and Learning Disabilities. Leanne is so excited to be given the opportunity to work with these schools in our local area. She is hoping to build strong working partnerships with these schools so that the Children with SEN can receive the intervention that best meets their needs. She is looking forward to start providing adapted therapy, consultations, training, POD workshops and all things SEN. Find out more about Leanne and her experience on our Team member of the month column!

We are excited to announce our new Team Leader Hannah Bishop starts with us at the beginning of July. Hannah was a Social Worker within CAMHS and has Gender Identity Disorder specialism.

We are looking forward to welcoming Hannah to our Compass GO... Team and we are sure you will see her around soon!
