

PARENT INFORMATION

MAY WE MOVE TOGETHER

The aim of 'May we move together' is to encourage families to get active throughout the month of May, so that families can achieve their daily recommended physical activity government guidelines.

Physical activity guidelines

Children and young people (5-18 years)
60 minutes per day across the week.

Adults (19+ years)

150 minutes of moderate intensity exercise per week
or 75 minutes of vigorous intensity exercise per week.
